

Piano/Harp

Oklahoma Youth Orchestras
Outstanding Students. Amazing Music.

Audition Requirements

Our ensembles occasionally perform works that include piano or harp parts. Because we cannot guarantee that any given performance will include these instruments we ask that you contact the Program Manager before registering for an audition. Students who are already a member of one of our ensembles on another instrument, or who are interested in joining with a secondary instrument are given preference.

1. A major scale of your choice

Students should perform a major scale with of their choice with a minimum of three octaves at a tempo of $\text{♩} = 84\text{--}92$, using quarter notes.

2. A piece of your choice

Students may prepare a single piece, etude, or a set of excerpts displaying technical and lyrical ability. This material should demonstrate students' abilities at their best in the short time frame of the audition.
