

# Woodwinds and Brass

Oklahoma Youth Orchestras

*Outstanding Students. Amazing Music.*

## Audition Requirements

Students auditioning on woodwind and brass instruments are eligible for placement in the following ensembles:

**Oklahoma Youth Winds (OYW) | Oklahoma Youth Philharmonic (OYP)**

**Oklahoma Youth Orchestra (OYO)**

**Woodwind and brass students selected to OYW and OYP will begin rehearsals on November 7, 2022.**

### 1. A major scale of your choice

Students should perform a two octave major scale of their choice at a tempo of  $\text{♩} = 84-92$ , using quarter notes.

### 2. A solo piece of your choice

Students may prepare a single piece, etude, or a set of excerpts displaying technical and lyrical ability. This material should demonstrate students' abilities at their best in the short time frame of the audition.

Students auditioning on flute, oboe, clarinet, bassoon, horn, trumpet, trombone, and tuba are eligible for all groups listed above. Students will be given the chance to indicate a preference for being placed in a wind ensemble (OYW) or one of the full orchestras (OYO or OYP), though this preference does not guarantee placement as indicated. Non-orchestral winds and brass instruments are only eligible for placement in OYW. This includes all saxophones, low clarinets, euphonium, etc.
